**CONSENT ITEM #C1**

To: Board of Directors  
Open Space Authority

From: Andrea Mackenzie  
General Manager

---

**SUBJECT**

Informational Item: Open Space Authority Check Register and Account Balances Ending February 28, 2023

**REVENUE/COST**

There are no costs associated with this Item.

**BACKGROUND**

The Open Space Authority has two revenue funds and two non-revenue reserve funds.

**District 1 Assessment (revenue)** – District 1 Assessment (District 1) is a \$12 annual benefit assessment approved in 1994 by voters within the Authority’s jurisdiction. District 1 brings in approximately \$4.2 million per year and must be renewed annually through resolution of the Board of Directors.

**Measure T Parcel Tax (revenue)** – In November 2020, voters approved Measure T, which renewed Measure Q and secured ongoing protection of open spaces for future generations. Measure T brings in approximately \$8 million per year.

**Measure Q Fund (non-revenue reserve)** – Effective in Fiscal Year 2021/2022, the Authority will no longer receive parcel tax revenues for Measure Q. Previously collected but unspent funds shall continue to be placed in a separate account and restricted to funding expenditures for projects fulfilling the requirements of the Measure Q Expenditure Plan.

**Reserve Fund (non-revenue reserve)** -- The Reserve Fund is an unrestricted fund (unlike District 1 Assessment and Measure T Parcel Tax). In 2013 the Authority Board, through its Financial Reserve Policy, created two funds under the Reserve Fund: the first, the Operating Reserve Fund is a contingency account of \$14 million for two years of operating expenses; the other, referred to as the Capital Reserve Fund, is available for land acquisition, capital projects and one-time expenditures. In 2017, the Authority Board updated the Financial Reserve Policy to create an additional fund, setting aside \$100,000 for Conservation Stewardship purposes. In November 2020, an additional \$100,000 was set aside for Conservation Stewardship.
